

Are Your Students **CYBERSAFE?**

Teach students about online safety and cyberbullying for free. Cyberbullying and online scams are at an all-time high right now, but Banzai is taking the issue head-on with a new Digital Citizenship course!

Digital Citizenship

AGES 9-15

1-2 HOURS

Digital Citizenship is an online interactive game that focuses on some of the most prominent dangers on the internet including internet scams, cyberbullying, and how internet usage can impact their overall wellness.

Join the 80,000 teachers and school administrators that are using Banzai's free online-learning platform to help their students navigate real-life obstacles.

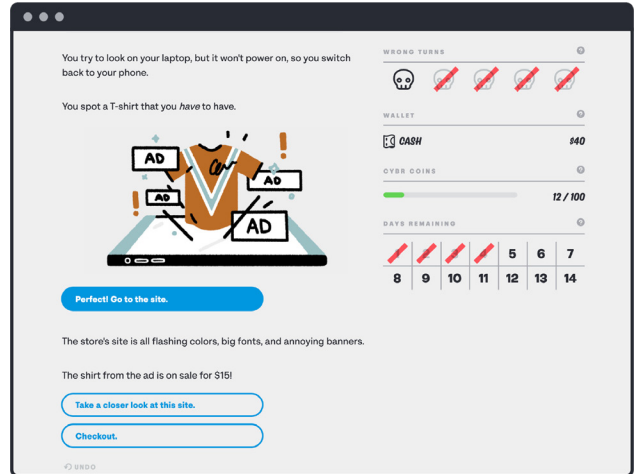

Digital Citizenship **MODULES**

Internet Safety Module

Students will learn as they role-play-navigate a hypothetical social media app called Cybr. Their cybersecurity skills are tested while confronted with tricky internet safety situations.

MAIN FOCUS:

- Password Strength
- Privacy & Device Security
- Social Media
- Scams & Online Shopping

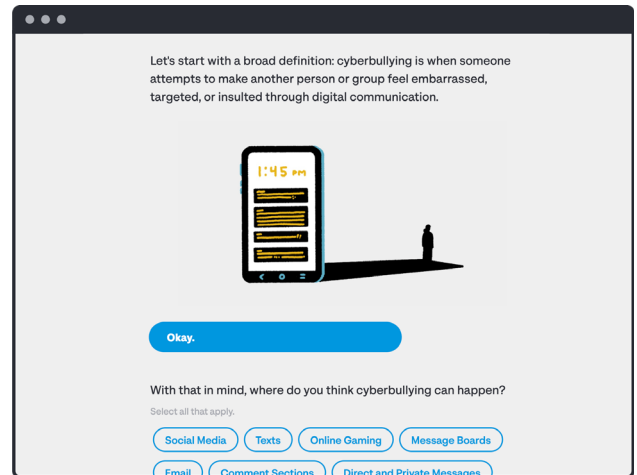

Cyberbullying Module

Teens learn the damaging effects of cyberbullying while exploring ways to be respectful online and how to cope with cyberbullying when it happens.

MAIN FOCUS:

- Social Media
- Online Behavior
- Cyberbullying Methods & Prevention
- Cyberstalking

Soon to come is even more content on topics like digital health & wellness, how the internet works, and understanding the digital divide.
